*Disclosure shall not be required of: 1) any entity, the equity interests in which are regularly traded on an established securities market in the United States or another country; or 2) pension funds or pension trusts of more than five thousand (5,000) ownership interests; or 3) any entity where ownership interests are held in a partnership, corporation or trust consisting of more than five thousand (5,000) separate interests, including all interests at every level of ownership and where no one (1) person or entity holds more than a total of five per cent (5%) of the ownership interest in the partnership, corporation or trust. Entities whose ownership interests are held in a partnership, corporation, or trust consisting of more than five thousand (5,000) separate interests, including all interests at every level of ownership, shall only be required to disclose those ownership interest which exceed five (5) percent of the ownership interest in the partnership, corporation or trust.

RESPONSIBILITIES OF THE APPLICANT

I AM AWARE THAT:

1. The Public Works Department, the Department of Environmental Resources Management (DERM), and other County agencies review and critique zoning applications which may affect the scheduling and outcome of applications. These reviews may require additional public hearings before DERM's Environmental Quality Control Board (EQCB), or other County boards, and/or the proffering of agreements to be recorded. I am also aware that I must comply promptly with any DERM or Public Works conditions and advise this office in writing if my application will be withdrawn.
2. Filing fees may not be the total cost of a hearing. Some requests require notices to be mailed to property owners up to a mile from the subject property. In addition to mailing costs, fees related to application changes, plan revisions, deferrals, re-advertising, etc., may be incurred. Applications withdrawn within 60 days of the filing are eligible for a refund of 50% of the hearing fee but after that time hearings withdrawn or returned will be ineligible for a refund. I understand that fees must be paid promptly.
3. The South Florida Building Code requirements may affect my ability to obtain a building permit even if my zoning application is approved; and that a building permit will probably be required. I am responsible for obtaining permits and inspections for all structures and additions proposed, or built without permits. And that a Certificate of Use and Occupancy must be obtained for the use of the property after it has been approved at Zoning Hearing, and that failure to obtain the required permits and/or Certificates of Completion or of Use and Occupancy will result in enforcement action against any occupant and owner. Submittal of the Zoning Hearing application may not forestall enforcement action against the property.
4. The 3rd District Court of Appeal has ruled that zoning applications inconsistent with the Comprehensive Development Master Plan (CDMP) cannot be approved by a zoning board based upon considerations of fundamental fairness. Therefore, I acknowledge that if the hearing request is inconsistent with the CDMP and I decide to go forward then my hearing request can only be denied or deferred, but not approved.
5. In Miami-Dade County v. Omnipoint Holdings, Inc., Case No. 3D01-2347 (Fla. 3rd DCA 2002), the 3rd District Court of Appeal has held invalid the standards for non-use variances, special exceptions, unusual uses, new uses requiring a public hearing and modification of covenants. This is not a final decision and the County Attorney's Office is seeking further review. In the interim, the County Attorney's Office is working with the Planning and Zoning Department's professional staff to develop new standards that will address the Court's concerns. While the new standards are being developed, applicants are advised that any non-use variance, special exception, unusual use, new use requiring a public hearing or request for modification of covenants granted under the existing standards are subject to being reversed in the courts. An applicant wishing to avoid the substantial legal risks associated with going forward under the existing standard may seek a deferral until the new standards are developed..
6. Any covenant to be proffered must be submitted to the Department's Legal Counsel, on County form, at least 1 month prior to the hearing date. The covenant will be reviewed and the applicant will be notified if changes or corrections are necessary. Once the covenant is acceptable, the applicant is responsible to submit the executed covenant with a current 'Opinion of Title' within 1 week of the hearing. And that Legal Counsel can advise as to additional requirements applicable to foreign corporations. Documents submitted to Legal Counsel must carry a cover letter indicating subject matter, application number and hearing date. Legal Counsel may be reached at (305) 375-3075
